

Parish Council Meeting January 17, 2018

Present: Fr. Brian, John, Connie, Bob, Priscilla

Absent: Jim, Kevin, Mary

Fr Brian opened with prayer at 6:00 PM

October minutes were reviewed and approved.

We did not have Parish Council meeting in November or December.

There were some comments about music, specially Saturday night mass. It was suggested that an announcement be made inviting anyone who is interested to contact office or Harry Lewis. Harry is the music director.

A member of the parish has donated some music equipment valued at about \$1000.00 thank you for that. Four new microphones have been ordered also.

Rectory building is coming along much progress had been made. Thanks to Fr. Brian and his many helpers. Thank you to all involved in the time given to help and also the many donations. Fr will give up dates on rectory as the work continues

The work on the hall addition is starting up again with much work to be done. Workers will be around starting this weekend to do more work on addition.

The Parish Auction is on hold for the time being. Need chairman and Co chairman to get this started.

School project has been placed on hold. All projects are on hold at this time till the rectory and hall addition are finished. We will then look at other things that we want to get done.

We discussed the mass schedule for upcoming Christmas season, was decided that it is unnecessary to have so many mass times since attendance was low. Decided that we would try 4:00 PM Christmas Eve and 10:00 AM Christmas Day mass for 2018 .

Fr Brian Closed with prayer at 6:45 PM
