Review notes from November 17, 2016, no changes

Roof leak due to ice dam. That has been taken care of.

Need to look at roof heat tapes come spring.

Several door no being able to open due to freeze heave. Spring thaw will fix that we hope.

Still looking into pre k and k project.

K of C play, will let's us know where the monies will go for this production.

Working on Rectory on site, nothing final as of yet, just beginning.

Looking at 4:00 PM Saturday Mass after Easter, will test to see how that goes,

Catholic Appeal will be done twice this year

Spring for year 2017-2018

Fall for year 2018-2019

After that Appeal will be done in the fall.

Parish Auction?

Approved \$ 10,000.00 budget for Evangelization.

John suggest we dedicate east wing to Dr. Leroy Byrd. All agreed
